Management Discussion and Analysis

A. Industry structure and developments

Deep Polymer Ltd is engaged in manufacturing of Antifab Filler Master Batches. Changing economic and business conditions, technological innovation and technology adoption are making the markets more competitive. The customer focus has shifted to cost saving and alternate solution. Axel always provides the optimum solution to its customer. These are challenging times across the world. Almost every business every individual is being impacted in these times and your Company is no exception to it. This is the time for us to show what we are made up of. We must work harder and smarter, delight our customers now more than ever. The true spirit is founded on our enthusiasm, on our constant will to renew, on our willingness to assume responsibility and to ensure that we succeed. Your company backed by a list of Multinational and Indian Corporate Giants and remarkable processing talents was able to face those challenges by bolstering talent and cost-effective plans across the company.

B. Opportunities and Threats

Compared to the Global crisis, the effect on India was less pronounced. The main factor is the domestic consumption in India is sufficiently large. Sustained domestic growth will bring improvement in all facets of life. World markets continued to remain in the slump but do recognise the competitiveness of Indian products and services. This will in turn accelerate the pace of the domestic markets too in future. The Company has launched its own Brand of Polymer Compounds. The market penetration is extremely good and the response received from the new customers was welcome. However, with our presence in the Compounding Industry for nearly 2 decades, made things fall into place with lesser difficulties. The existing expanded scale of our operations, future developments, low overheads, and qualities of products matching with International Standards are our inherent strengths. This in turn continues to give us unparalleled platform to be more competitive. We are focused to deliver superior values to customers, ensuring International qualities for all the products and services.

C. Segment-wise or product-wise performance

The Company is operating in only one segment. Therefore there is no requirement of Segment wise reporting.

D. Outlook

Deep Polymer Ltd is engaged in manufacturing of Antifab Filler Master Batches Since 2004. It has witnessed phenomenal growth since its inception. Today, the company has production level of filler Masterbatches 25000 MT / Annum. Over the years it has carved a space in the competitive marketplace. This is a culmination of continuous improvement in quality, innovation and customer focus. The company is led by entrepreneur Rameshbhai Patel. He leads a team of dedicated professionals who have expertise and experience in the industry

E. Risks and concerns

Polymer Industry has a certain specific set of risk characteristics, which needs to be carefully evaluated and mitigated. In order to effectively manage the same, the Company has evolved proactive Risk Management System, which is adhered to. The risk management covers the entire process from capital investment, competitors' activities, new entrants etc. Continual reforms and emphasis on technological developments shall reduce the exposure to risk.

F. Internal control systems and their adequacy

The Company has adequate internal financial control systems that commensurate with the size and nature of its business. Management has overall responsibility for the Company's control systems to safeguard assets and to ensure reliability of financial records. The Company has due policies and procedures to ensure effective control of its business, including adherence to Company's policies, prevention and detection of frauds and errors, accuracy and completeness of accounting records and timely preparation of financial information. The Company has a detailed budgetary control system and the actual performance is reviewed periodically and decisions are taken accordingly. Internal audit program covers all areas of activities and periodical reports are submitted to the management and a quarterly internal audit report is placed before the Audit Committee for its review and the Internal Auditor will also be present. Audit Committee reviews all financial statements and ensures adequacy of control systems. The Company has a well-defined organization structure, authority levels and internal rules and guidelines for conducting business transactions.

G. Discussion on financial performance with respect to operational performance

The financial performance of the Company for the financial year 2018-19 is described in the report of Board of Directors' of the Company.

H. Material developments in Human Resources / Industrial Relations front including number of people employed

The cordial employer - employee relationship also continued during the year under the review. The company has continued to give special attention to human resources.

INDEPENDENT AUDITOR'S REPORT

To the Members of Deep Polymers Limited (previously known as Deep Polymers Private Limited)

Report on Audit of Financial Statements

Opinion

We have audited the financial statements of **Deep Polymers Limited** (previously known as Deep Polymers Private Limited) (herein after referred to as “the Company”) which comprise the Balance Sheet as at 31st March 2019, and the Statement of Profit and Loss and Statement of Cash Flows for the year then ended, and Notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a **true and fair view** in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and its profit/loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Financial Statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Financial Statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Financial Statements.

Key Audit Matter	How our Audit addressed the key Audit Matter
<p>i) Revenue recognition</p> <p>Revenue recognition policy of the Company is stated at point No. H of Note No.1</p> <p>Recognition of revenue from the transactions as on cut off date can directly affect the value of the sales disclosed and in turn the profit disclosed by the company and therefore has been considered as a Key Audit Matter.</p>	<p>We have verified more than 60% of transactions and all the transactions as on Cut off date.</p> <p>Further, we have also checked adequacy and effectiveness of Internal Control on the Revenue Booking system of the company.</p>
<p>ii) Valuation of Inventory</p> <p>Accounting Policy for Inventory valuation is stated at point No. F of Note No.1</p> <p>Finished goods are valued at Lower of Cost or Net Realizable Value. Considering that there is always volatility in the selling price of finished goods, which is dependent upon various market conditions, determination of net realizable value of finished goods involves significant management judgment and therefore has been considered as a Key Audit Matter.</p>	<p>Obtained an understanding of the determination of the net realizable value of finished goods and tested the reasonableness of the significant judgements applied by the management.</p> <p>Evaluated the design of internal controls relating to the valuation of finished goods and also tested the operating effectiveness of the aforesaid controls.</p> <p>Compared the actual realization after the year end / latest realization to assess the reasonableness of the net realisable value that was estimated and considered by the management.</p> <p>Compared the cost of the finished goods with the estimated net realisable value and checked if the finished goods were recorded at net realisable value where the cost was higher than the net realisable value.</p> <p>Assessed the appropriateness of the disclosure in the standalone financial statements in accordance with the applicable financial reporting framework</p>

Information Other Than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with the Rule 7 of the Companies (Accounts) Rules, 2014, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013,

we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Note 1 : Significant Accounting Policies & Notes Forming Part of Accounts as on March 31st 2019

1. Corporate Information:

Deep Polymers Limited (“Deep” or the “Company”) is converted into public company from private limited company on April 6, 2018 and is domiciled and headquartered in India and incorporated under Companies Act, 1956. The registered office of the company is located at Block No. 727 B/h, Bhavi Industries Rakanpur (Santej), Tal kalol, Dis Gandhinagar. The company is engaged into the Manufacturing of antifab filler master batches which is used along with the master batches to provide different variations of the quality.

2. Summary of significant accounting policies:

A. Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on management’s best knowledge of current Events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

B. Tangible and Intangible Assets

All tangible and intangible Assets are valued at cost. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

C. Depreciation of tangible and intangible assets

Depreciation on Fixed Assets is provided to the extent of depreciable amount on the Written down value (WDV) Method on all Assets. Depreciation is provided based on Useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

During the preceding years, the Company was providing depreciation on written down value basis at the rate prescribed in Schedule XIV of the Companies Act, 1956.

D. Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangements of borrowings.

Borrowing cost directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

E. Government Grants

The State Government and Central Government grants relating to the fixed assets are shown as deduction from the gross value of the Fixed Assets.

F. Inventories

The stock of raw materials is valued at cost. Work In Progress at estimated cost and finished goods is valued at lower of cost or net realizable value. Cost comprises expenditure incurred in

the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate related overheads.

G. Investments

Long term investments are carried at cost less provision for diminution, other than temporary, in value of such investments. Current investments are carried individually, at the lower of cost and fair value. Costs of investments include acquisition charges such as brokerage, fees and duties.

H. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of Goods

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of goods. The company collects excise taxes, sales taxes, Goods & Service Tax (GST) and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

I. Retirement and other employee benefits

Retirement benefit in the form of Provident fund is a defined contribution scheme. These contributions are charged to Profit and Loss statement. Leave encashment is charged to Profit and Loss account in the year in which it is paid.

Till FY 16-17, gratuity was charged to statement of profit and loss on actual payment basis. However in FY 17-18 charge of gratuity for the respective years has been made based on the actuarial valuation reports to comply with Accounting Standard - 15 "Employee Benefits".

J. Lease accounting

Operating Lease

Assets acquired on lease where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating lease. Lease rentals on assets taken on operating lease are recognized as an expense in the statement of profit and loss. Initial direct cost in respect of the lease acquired is expensed out in the year in which such costs are incurred.

K. Foreign currency transaction and balances Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

L. Conversion

Foreign currency monetary items are translated using the exchange rate prevailing at the reporting date to comply with the requirements of Accounting standard - 11 "The Effects of Changes in Foreign Exchange Rates."

M. Exchange differences

All exchange differences are recognized as income or as expenses in the period in which they arise.

N. Income Tax

Tax expenses comprise current tax and deferred taxes. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

O. Deferred Income Tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

P. Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

Q. Provisions

A provision is recognized when the company has a present obligation as a result of past event. It is possible that an outflow of resources embodying benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

R. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or nonoccurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but disclosed its existence in the financial statements.

S. Segment Reporting

The Company's main activity is manufacturing of Antifab Filler which constitutes a single reportable segment in the context of Accounting Standard – 17 “Segment Reporting” issued by the Institute of Chartered Accountants of India.

2.3 Rights, Preferences and restrictions attached to equity shares

The company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and shares in the company's residual assets. The equity shares are entitled to receive dividend as declared from time to time subject to payment of dividend to preference shareholders. The voting rights of an equity shareholder on a poll (not on showoff hands) are in proportion to its share of the paid-up equity capital of the company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid.

Failure to pay any amount called up on shares may lead to forfeiture of the shares

On winding up of the company, the holders of equity shares will be entitled to receive the residual assets of the company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.
